

VACANCY NUMBER: 36660CG

JOB TITLE: REGISTERED TECHNOLOGIST, FT

STATUS: FULL TIME

DEPARTMENT: LABORATORY

LOCATION: NIAGARA FALLS SITE

HOURS OF WORK: 75 HOURS PER PAY PERIOD; HOLIDAYS WEEKENDS

POSTING DATE: 15 April 2024

CLOSING DATE: 30 April 2024

UNION: ONTARIO PUBLIC SERVICE EMPLOYEE'S UNION

WAGE RANGE: \$36.84 to \$50.24

POSITION OBJECTIVE:

Functioning as a team player, the Medical Laboratory Technologist will support all staff in the provision of quality laboratory services to assist physicians and other health care providers in the prevention, diagnosis and treatment of disease. This includes performing quality laboratory testing according to legislative requirements in all of the following specialties: Chemistry, Hematology, Transfusion Medicine and specimen collection and handling.

The Medical Laboratory Technologist will focus on continuous monitoring and improvement of practices in order to meet or exceed our patient/client needs and will support the mission, vision and values as determined by the Niagara Health System while providing safe and competent patient/client care. The successful candidate's home site will be the Welland Hospital Site and must be willing to work at two or more laboratory sites. Shifts will be regularly scheduled at both Welland Hospital Site and Greater Niagara General Site. .

QUALIFICATIONS:

- o Graduate of an accredited Medical Laboratory Technology Program.
- o Current registration as a Medical Laboratory Technologist with the College of Medical Laboratory Technologists of Ontario with license to practice relevant specialties in Laboratory Medicine.
- o Two years related clinical laboratory experience in the past five years in a similar hospital environment.
- o Working knowledge of processing medical laboratory specimens.
- o Applies knowledge, skills, judgment and competencies required for safe, independent and inter-disciplinary practice by meeting professional standards as outlined by the College of Medical Laboratory Technologists of Ontario and related professional associations.
- o Applies Niagara Health values and professional practice standards to patient/client care and service.
- o Integrates reflection, critical thinking, education and relevant practical experience in problem solving.
- o Working knowledge of computers, Laboratory Information Systems and other related Hospital systems.
- o Proficiency in both official languages (English & French) will be considered an asset.
- o Consistent and regular attendance required.
- o Vaccines (COVID-19 and others) are a new hire requirement of the job unless you have an exemption based on medical or on a ground pursuant to the Ontario Human Rights Code

Recruitment Specialist: Carrie Garritsen

We are especially interested in connecting if you...

Value diversity, equity and inclusion;
