

Full job description

ABOUT OUR COMPANY

Anderson College is one of Canada's oldest colleges, having opened our first location in 1885. We have trained more than 100,000 students over a 137-year history and have been an empowering partner for students overcoming career challenges and transitioning to the next phase of their lives.

With ten locations in Ontario and one in British Columbia, we are recognized for our high-calibre faculty, hands-on, real-life career training, and supportive culture. At Anderson College, we are more than our century-old history, our programs, and state-of-the-art facilities; we are a team of caring individuals, deeply committed to helping our students become skillful, confident, and in-demand employees.

The Founding Principle of Anderson College is embodied in the following statement:

"We believe in empowering people through education. We achieve this by delivering timely, holistic educational environments to targeted markets."

ABOUT THE ROLE

We are seeking a competent and dedicated **Instructor for our Medical Laboratory Technician/Assistant** program at our London location. Please note that this is an **on-campus role**.

Duties & Responsibilities:

- Mentor, coach and support students through a commitment of educational excellence and passion in MLA disciplines
- Responsible for creating an effective and positive adult learning environment
- Develop, supervise and evaluate practical skills
- Maintain laboratory protocols and equipment
- Teach the curriculum as outlined by the college and in adherence with the CSMLS and MLPAO competencies.

The ideal candidate:

- Is passionate about MLA discipline and sharing their knowledge and experience with others
- Enjoys the dynamics of teaching and learning
- A commitment to lifelong learning through ongoing participation in professional development
- Utilizes effective organization and time-management skill set
- Effective working in both a team environment and independently
- Employs excellent oral and written communication skills in the English language
- Enjoys challenges and solving them through evidence

- Proven leadership and motivational skills and can work well under pressure.

Required Qualifications:

- Medical Lab Technician Assistant Diploma
- Currently certified and in good standing with MLAPO (CSMLS certification will be required)
- Minimum five years of recent experience in a clinical laboratory environment
- Teaching experience would be an asset

Applications from people with disabilities are welcomed and encouraged. Accommodation is available on request for candidates taking part in all aspects of the selection process.

Anderson College is committed to protecting the safety and welfare of employees, students, and the general public, and upholding the reputation and integrity of the College. For this reason, final applicants will be asked to undergo a background check.

Anderson College of Health, Business & Technology requires all community members, including employees and visitors who attend our campuses be fully vaccinated against COVID-19, subject to medical exemptions, in accordance with all applicable laws and regulations. The College's vaccine policy is integral to our ongoing commitment to health and safety. Offers of employment require that you comply with the COVID-19 Vaccination Mandate by providing proof of vaccination prior to your start date.

We thank all applicants for their interest in employment with Anderson College. Only those selected for an interview will be contacted.

Benefits:

- Dental care
- Extended health care
- Paid time off

Schedule:

- Day shift
- Monday to Friday

Experience:

- 5 year's experience as an MLTA (required)

Work Location: In person
