Re: Medical Laboratory Week in Ontario April 12 – 18, 2026

Dear Medical Laboratory Professionals' Association of Ontario,

On behalf of the Members of Council and the residents of Oshawa, I thank you for your hard work and dedication.

The work Medical Laboratory Professionals perform is vital to our health care system and is essential to both individual and public health. Analyzing samples, identifying illnesses, tracking pathogens, and supporting screening and outbreak detection lead to timely diagnoses and better patient outcomes. We are grateful for your skills and abilities.

Thank you for your commitment to our community every day.

Yours truly,

Dan Carter
Mayor
