

MISS RANEEM KHALIL HATU

PROFESSIONAL HISTORY

I am a new graduate from Mohawk College. I completed the MLA/T program and passed the MLPAO exam in July 2025. I have worked in three different work fields, including Aida Auto Sales, Canadian Tire, and Dollarama. I know how to communicate and get things done under pressure. I can be a leader, but also a learner. Every day, I wake up to enhance my knowledge and skills. I take my education very seriously. I had to quit both my jobs early because my education was my main priority and focus at the time, and making a profit wasn't really my concern. But, since I have finished college, I am job seeking and hoping to be a part of a phlebotomy team.

Aida Auto Sales - Fort Erie

- This is my family's car business, and it has had a big influence on me. I have been helping out all along.

Manager Kristal, 09/2021 - 11/2021

Dollarama - Fort Erie

- I have excellent experience as a cashier, and I spent most of my time working as a cashier during my employment, as well as some time stocking and organizing shelves.
- I always asked the customers if they found everything okay, and if they didn't, I would ask them to tell me what our team should do next time so their experience at the store would be amazing.
