## Continuing Education (CE) Attestation

**PLEASE NOTE: Wherever possible, learning must be supported by original documentation.** This can be a certificate, email confirmation for a lunch-and-learn, screenshot of an article, workshop invitation poster, conference agenda, course transcript, etc. To document reading, an MLA/T may include a PDF of a publication cover or original article.

This attestation may be used to confirm an activity (such as clinical teaching and training, a presentation, or volunteering) where none of the above options are available.
