

Medical Laboratory Technologist (MLT)

Stevenson Memorial Hospital is situated in the fast-growing, picturesque town of Alliston, Ontario where urban and rural living meet.

Every day we deliver safe, high quality health care driven by our values which include integrity, compassion, accountability, respect and excellence. If your values are aligned with ours, please come and join our dedicated team of professionals as a *Medical Laboratory Technologist*.

What you will do

The MLT contributes to the promotion and treatment of health conditions by performing laboratory test requests ordered by physicians ensuring optimum patient care.

Who you are

- Graduate of a Medical Laboratory Technology program
- Member in good standing of the College of Medical Laboratory Technologists of Ontario required.

What you bring

- 2 years' work experience in clinical laboratory preferred
- Excellent communication skills, leadership and interpersonal skills
- Strong organizational skills and the ability to prioritize care and adapt to unexpected change in patient acuity
- Demonstrated critical thinking decision making skills
- Demonstrated ability to work independently and willingness to be flexible to meet department needs
- Demonstrated ability to meet the physical demands of the position
- Availability to work a flexible work schedule including weekends
- It is the responsibility of all employees to work in a safe manner and promote health and safety in the workplace

Job Type: Regular Part-time and Casual Part-time

Wages: \$37.50 to \$46.02 per hour (based on experience) plus 12% in lieu of benefits (8% if in HOOPP) and 6% in lieu of vacation.

How to Apply: Submit your resume and cover letter in PDF or Word format with position to be considered for in the Subject Line to humanresources@smhosp.on.ca. Applicants are encouraged to save their resume and cover letter as (Last Name, First Name_cover/resume).

Other Items: As a condition of employment, you are required to submit proof of COVID-19 vaccination to the Hospital's Occupational Health and Safety department. Successful candidates will be required to submit proof of COVID-19 vaccination (two doses) from the Ontario Ministry of Health website or other authorized source directly to the Occupational Health and Safety department. In the event that you are unable to be vaccinated as a result of a ground protected under the Human Rights Code, you may submit a written explanation of the ground and any supporting documentation to determine if you are exempt from this requirement to the recruitment team. A human resources representative may follow up with you for further information if necessary.

As part of our mandatory screening process, the Hospital will require professional references, verification of academic training and professional accreditation along with a vulnerable sector screen.

SMH is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act ('AODA'). If you require accommodation for disability during any stage of the recruitment process, please notify Human Resources.
