We are looking to grow our Laboratory team at Halton Healthcare, offering positions such as Medical Laboratory Assistants, Pathologist's Assistants, and Medical Laboratory Technologists. Halton Healthcare takes great pride in providing quality, compassionate healthcare services to our rapidly growing communities. We are a distinctive centre of healthcare excellence that offers first-rate care in an innovative environment that supports the physical, mental, emotional and spiritual needs of the community.

The ideal candidate is strong in patient centered care in a dynamic, rapidly changing environment and should be ready to drive change and innovation. We require a person with good communication skills with a clear patient focus with the ability to manage execution and to foster teamwork and cooperation.

Here is what you'll need to do it:

- MLA/MLT certification required
- Registration with OSMT/CSMLS/CMLTO
- Knowledge of laboratory computer systems
- Medical Terminology Certificate
- Good communication and interpersonal skills
- Experience working with the public
- Must be able to read, write, speak and understand English
- Must be able to meet the physical demands of the position
- Satisfactory employment and attendance record required

If you are passionate about what you do, motivated by a job well done, and as committed to excellence, quality and patient satisfaction as we are, we'd like to hear from you. Please submit your application via our website at [Halton Healthcare Job Board](#) or to LOLSSON@haltonhealthcare.com and include a current copy of your resume.
