LOCATION:	Niagara Falls, Welland and Marotta Family – (St. Catharines Site)
HOURS OF WORK:	75 HOURS PER PAY PERIOD

VACANCY NUMBER:	**40409**
JOB TITLE:	Registered Technologist, Laboratory
STATUS:	Regular Part Time (1 position)
DEPARTMENT:	Laboratory
LOCATION:	Marotta Family – (St. Catharines Site)
HOURS OF WORK:	0.4 FTE

POSTING DATE:	12 May 2025
CLOSING DATE:	26 May 2025
UNION:	ONTARIO PUBLIC SERVICE EMPLOYEE'S UNION
WAGE RANGE:	$36.840 to $50.240 per hour

POSITION OBJECTIVE:
Functioning as a team player, the Medical Laboratory Technologist will support all staff in the provision of quality laboratory services to assist physicians and other health care providers in the prevention, diagnosis and treatment of disease. This includes performing quality laboratory testing according to legislative requirements in the following specialties: Biochemistry, Hematology, Transfusion Medicine and associated Specimen Handling and Pathology.

The Medical Laboratory Technologist will focus on continuous monitoring and improvement of practices in order to meet or exceed our patient/client needs and will support the mission, vision and values as determined by Niagara Health while providing safe and competent patient/client care. The successful candidate's home site will be the Site listed above, and must be willing to work at two or more sites.

QUALIFICATIONS:
o Graduate of an accredited Medical Laboratory Technology Program
o Current registration as a Medical Laboratory Technologist with the College of Medical Laboratory Technologists of Ontario with license to practice relevant specialties in Laboratory Medicine
o Two years related clinical laboratory experience in the past five years in a similar hospital environment
o Working knowledge of processing medical laboratory specimens

At Niagara Health, we value diversity, equity and inclusion, and welcome applications from all people. We are especially interested in hearing from you if you are excited about being part of a respectful and hard-working team in the beautiful Niagara Region, have a passion for service and excellence in healthcare, have a background or related expertise in the healthcare environment, supporting patient care and providing extraordinary customer-service.

In accordance with the Accessibility for Ontarians with Disabilities Act, 2005 and the Ontario Human Rights Code, Niagara Health will provide accommodations through the recruitment process to applicants with disabilities. If selected to participate in the recruitment and selection process, please inform Human Resources of the nature of any accommodation(s) that you may require in respect of any materials or processes used to ensure your equal participation.

At Niagara Health, we are committed to advancing diversity, equity and inclusion. As a part of this work, we collect information on Ontario Human Rights Code grounds and non-Code grounds in order to: hire and retain diverse talent, prevent and/or address systemic barriers to access and opportunity, improve service delivery and programs and advance diversity and inclusion overall. All identification questions are optional and include a "prefer not to answer" option.

o Applies knowledge, skills, judgment and competencies required for safe, independent and inter-disciplinary practice by meeting professional standards as outlined by the College of Medical Laboratory Technologists of Ontario and related professional associations
o Applies Niagara Health values and professional practice standards to patient/client care and service
o Integrates reflection, critical thinking, education and relevant practical experience in problem solving
o Working knowledge of computers, Laboratory Information Systems and other related Hospital systems
o Proficiency in both official languages (English & French) will be considered an asset

Questions, quoting the job posting number, may be directed to hrrecruit@niagarahealth.on.ca

You may be hesitant to apply if you do not have every qualification listed in the posting. While specific qualifications are important for certain roles, we invite individuals from diverse backgrounds and varying levels of experience and education to apply. Our recruiters will evaluate your suitability for the role.

Please note that for unionized roles, we must follow collective agreement requirements. However, we encourage all interested candidates to submit their applications. We believe success in a role can extend beyond meeting every single requirement.
